

URGENT MEDICAL DEVICE QUARANTINE

TGA Reference Number	: RC-2023-RN-01069-1
Product	: AEROWASH Eyewash and Wound Irrigation (15 mL & 30 mL)
Product Code	: AW1000, AW1060, AW3010, AW3030
Batch Numbers	: See Table 1 & 2 below
ARTG Number	: 159438
Intended Use	: A solution, typically saline, used to assist in clearing and cleaning a site during a medical/surgical procedure (e.g., flushing the ocular area during eye surgery).

Aero Healthcare, after consultation with the Therapeutic Goods Administration (TGA), is conducting a Medical Device Quarantine action and notification of the above saline products pending further investigation of the recent safety alert notification from TGA. We are contacting you to quarantine the product until further notice.

Problem

The TGA has been made aware of possible contamination of Sodium Chloride 0.9% products supplied by Legency Remedies Private. This is due to reported cases of *Ralstonia pickettii* in multiple jurisdictions. While investigations into this continue we are quarantining all batches of sodium chloride as a precaution.

Action Required

- If you are selling or distributing this product as a single product or part of a first aid kit, ensure your relevant staff know this quarantine notice.
- Inspect your stock and quarantine affected stock on hand to prevent further use based on the batch numbers identified until further notice.
- Complete the acknowledgement notice in GS1 Recall Health platform even if you do not have any affected stock by 22 December 2023 to reconcile this process. If you have supplied or transferred any potentially affected product to another facility or organisation, let that facility know of the quarantine action by providing a copy of this letter.
- Place this letter in a prominent position for at least one month.

We apologise for any inconvenience this notification may cause, and if you have further questions, please do not hesitate to contact Aero Healthcare at 1800 628 881 or recall@aerohealthcare.com.

Kind Regards,

David Macasieb
Regulatory Officer
